Now, the Railway Board vide reference (2) above, has clarified that, no minimum service condition has been prescribed for appearing in this round of GDCE examination.

Accordingly, the restriction of two years minimum service condition has been removed and it is decided to re-invite the online applications from those candidates who have been excluded on this account and available on rolls as on the date of issue of notification.

The candidates who have already submitted their online application and declared "rejected" due to two years minimum service condition restriction may also submit their applications afresh for consideration. The portal for submission of application will be made available in due course.

**The candidates whose application found "Eligible" need not apply again.**
