**NOTICE FOR CANDIDATES WHO HAVE SUBMITTED APPEAL FOR RE-MEDICAL
EXAMINATION ON THEIR BEING MEDICALLY UNFIT / FIT IN B-II to C-I MEDICAL
CLASSIFICATION AGAINST THE DECISION OF FIRST MEDICAL EXAMINING
AUTHORITY AGAINST CEN NO.RRC-01/2019 FOR LEVEL – 1 POSTS**

It is to advise that, the appeals submitted by the Unfit / Fit in B-II to C-I candidates for Re-Medical Examination have been forwarded to Principal Chief Medical Director, South Western Railway (PCMD/SWR) for further process. Once, the decision is communicated by the PCMD/SWR, concerned candidates will be intimated about the decision taken by the Medical Authorities for Re-medical examination on the official website and also to the candidates on their registered e-mail address.

It is seen that, some of the candidates are repeatedly making queries on various platforms seeking information / asking for the probable dates of Re-Medical Examination etc.

In this connection it is advised that, about 300 candidates have submitted their appeals for consideration for re-medical examination and it takes a little more time to review each individual case along with the medical reports available in various Railway Hospitals where the candidates have been medically examined initially.

Therefore, all the candidates who have submitted their appeal for re-medical examination are advised to await intimation from this office as and when the medical authorities communicate their decision in the matter.

It is once again advised to the candidates not to raise queries in the matter which will not be entertained / replied for whatsoever reason as the process of appeals for re-medical examination are already been under pipeline and the candidates will be intimated of the same on their registered E-mail address.

The candidates may please note accordingly.
